As part of our Lenten Campaign, we plan on helping the Ukrainians in their current plight by gathering and sending items they require at this difficult time like clothes, blankets and personal items.

We are delighted to be back together after our midterm break with the Covid restrictions lifted so we no longer have to wear the face masks in school!

Our school looks lovely as our plants are in full bloom. We are looking forward to going to Swimming lessons after Easter. We are enjoying all the Drama, Sport, French and Music classes at school.

In the Junior Room, we have been busy learning about space and made a display of the solar system and created our own space ships.

The children in the Senior Room are busy researching, designing and creating their own products for the Junior Entrepreneur Programme. This week, they are presenting their ideas to the judges of Dragons Den: Bernard, Chairperson of the Board of Management and two Transition Year students: Rebecca and Ewan.
